Sl. No. 2. Letter No. SSD/SF1/359/62-63 dated 9.5.69 from the D.A. Bilaspur.

NOTE-1

Paras 1 to 4 of the N. AFD-465-FGL 68, placed below may kindly be perused. The Agriculture Deptt has been told specifically, that the tank is not under the control of Forest deptt as reported by C.C.F.

Again they have requested to indicate when the tank which was under the control of Forest Deptt as stated by the Director of Agriculture, and when it was transferred to which deptt. It is not clear how the Agriculture Section presumed that the tank was under the control of Forest deptt. The tank may be under the control of other deptt like P.W.D or R.D as it is evident when it is not under the control of Forest deptt. However we may request C.C.F if the tank was under the control of Forest deptt at any time previously and transferred subsequently and then only we may give a suitable reply to Agriculture Section with regard to the correctness of the letter of the Director Agriculture.

A draft letter to C.C.F is put up for approval.

I invite your kind reference to this office proposal of even number dated 26.10.1966 and subsequent reminders regarding the transfer of tank in Sy.No.7 of Malaganakoppa village, Mundgodu Taluk from Forest Department to Agriculture Department. This tank is not used by the Forest Department and hence the transfer of the tank to this Department will help the Seed Farm considerably. Further, the tank is adjacent to the farm lands. By effecting this transfer most of the area of the existing seed farm at Malaganakoppa will be under assured irrigation and the yields of crops will go up besides improving the financial resources of the farm. The matter is pending with the Government since last three years.
